Open Source Yoga Unity (OSYU) is a nonprofit California corporation formed to provide a common voice, and the pooling of resources, to oppose the ownership or control of any style of yoga so as to promote its natural unfettered practice for all to enjoy and develop.

I am concerned for the rights and privileges of yoga studio owners, instructors and practitioners everywhere. I wish to advocate the rights of yoga studio owners, instructors and practitioners to practice, learn and teach yoga freely. I wish to participate in dialogue with other members of Open Source Yoga Unity regarding these matters.
